

# Tangrams - axes de symétrie

## Planche I

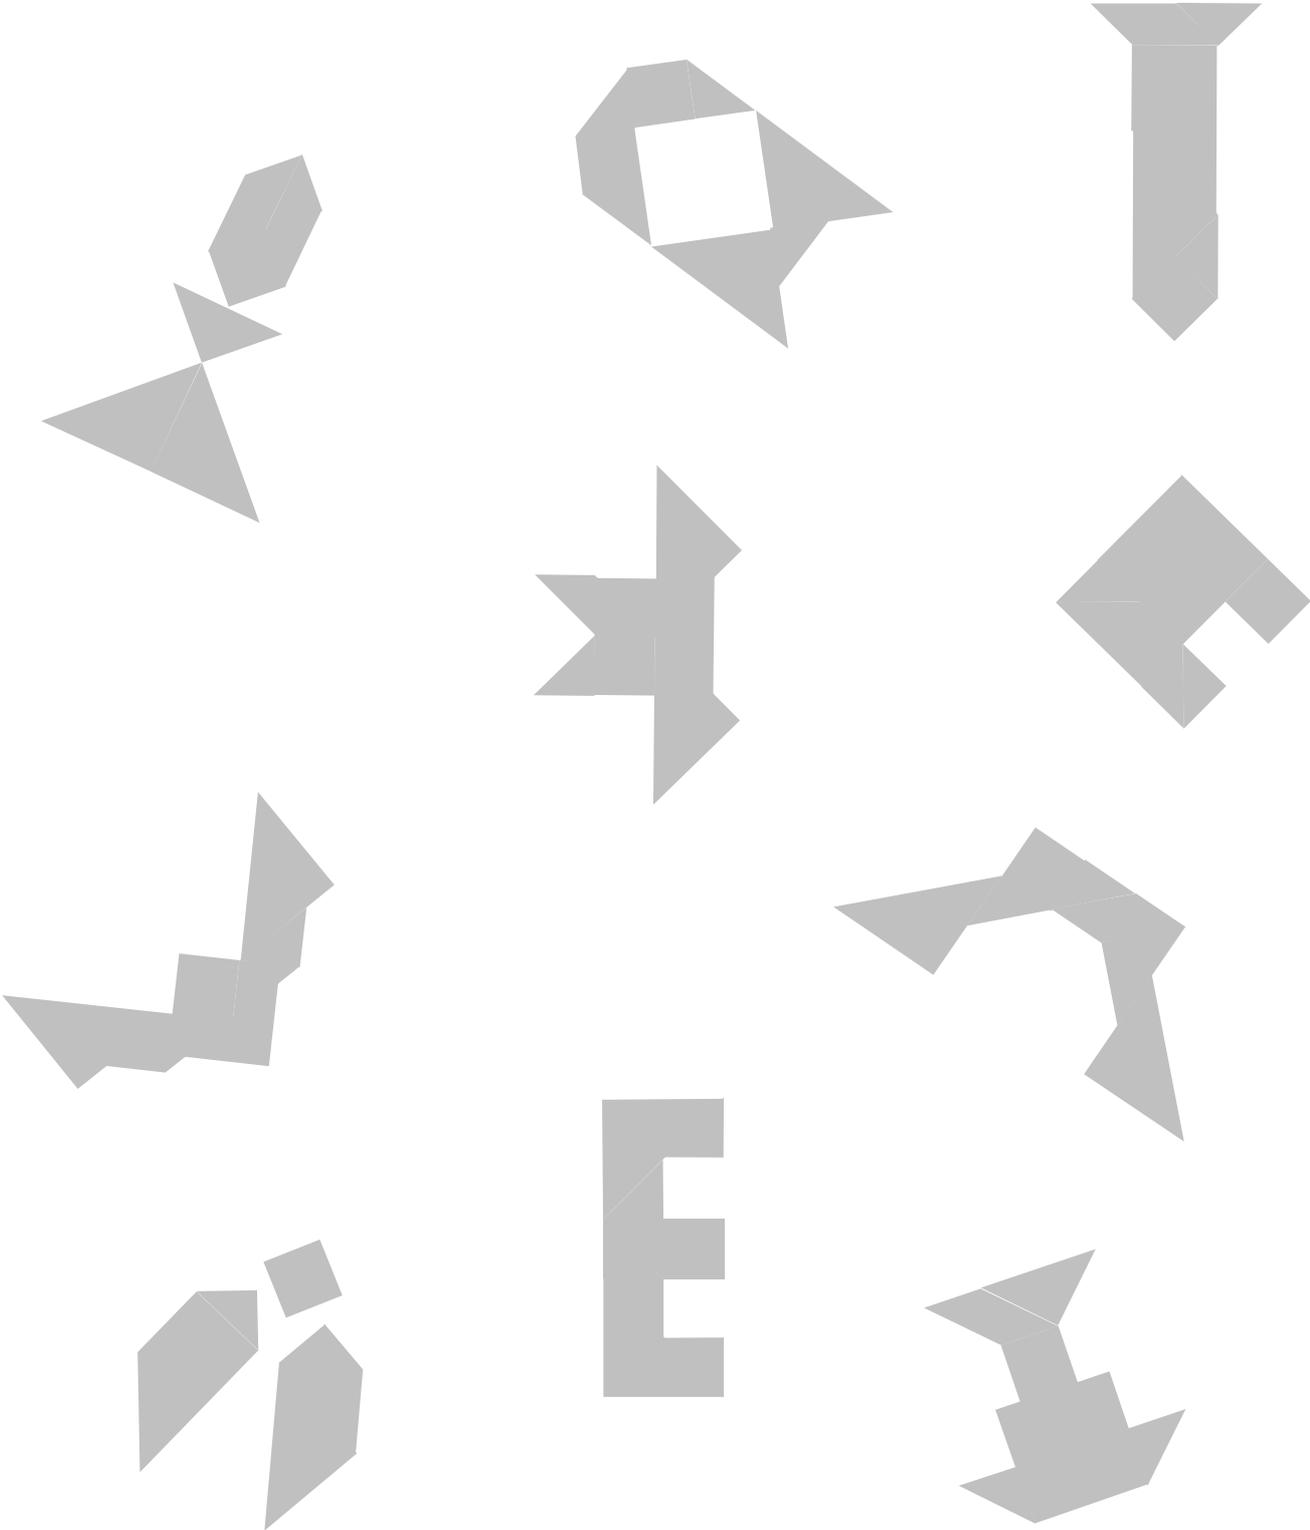

Toutes ces figures ont un point commun : lequel ?

Tangrams - axes de symétrie

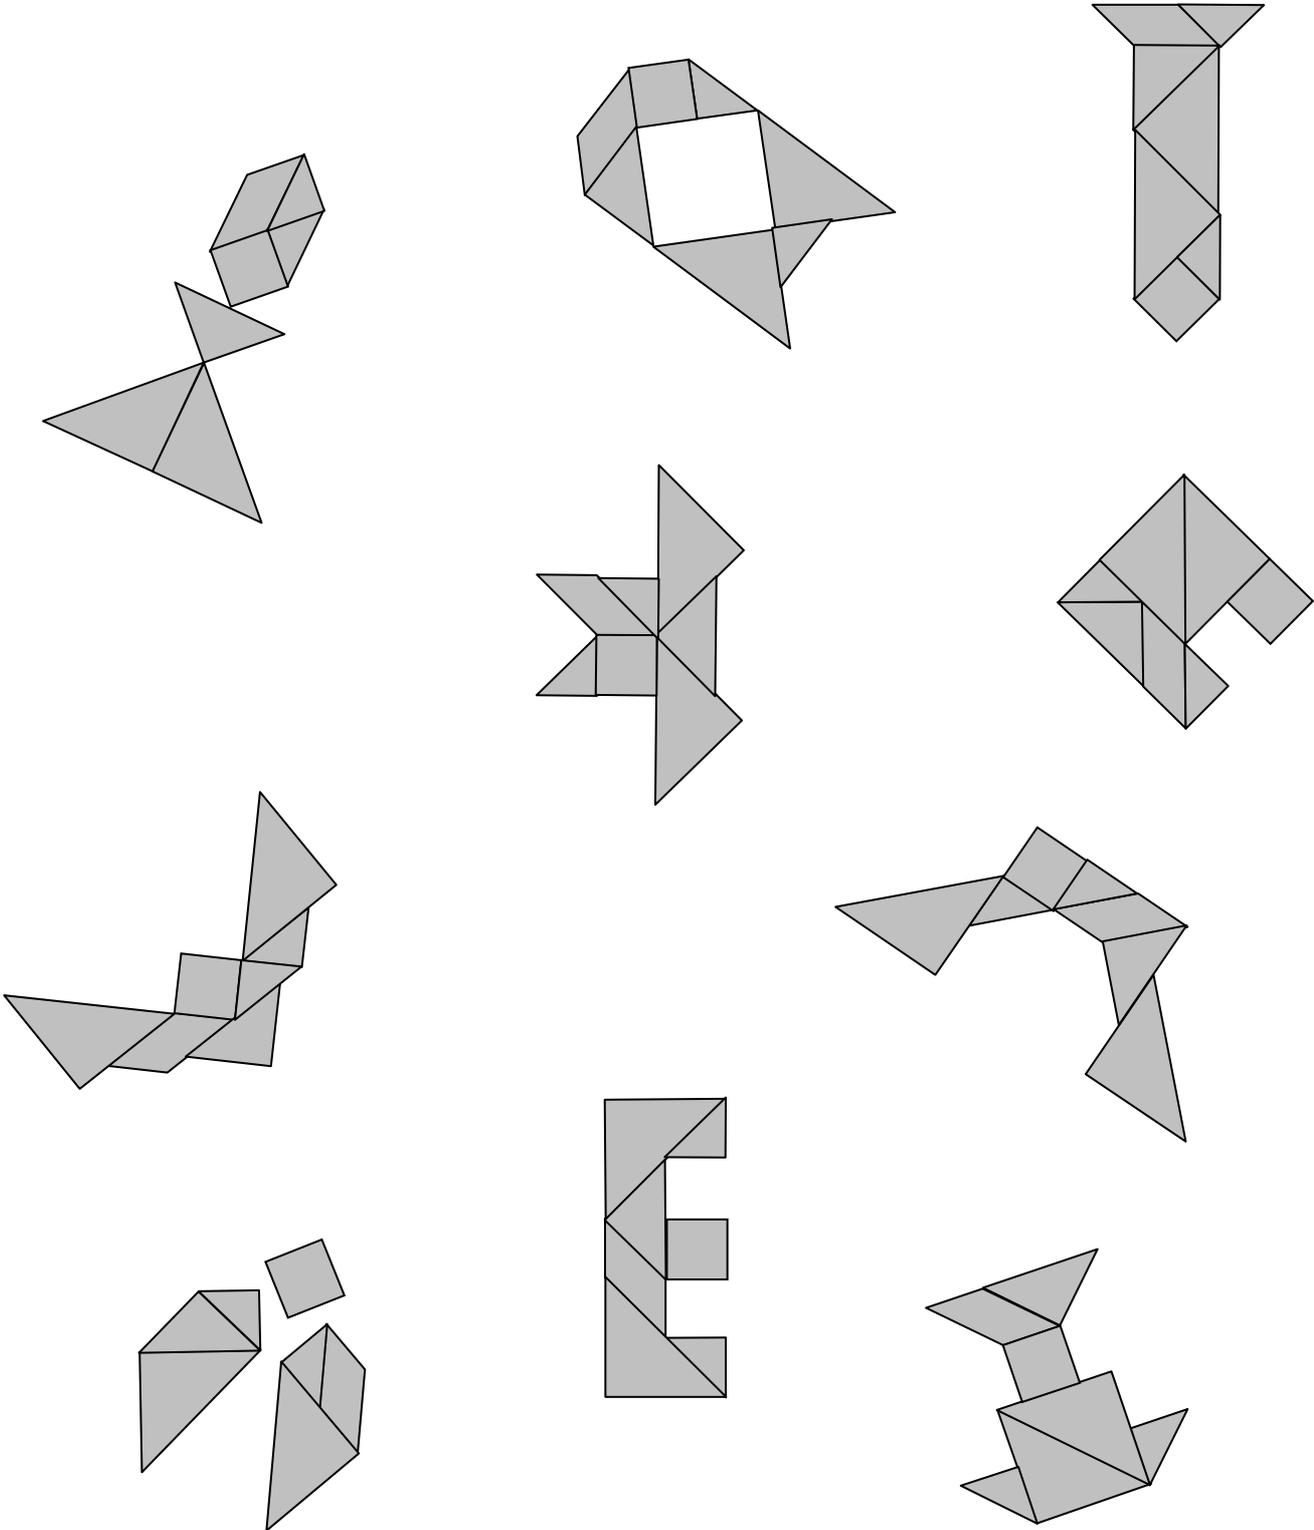

Planche II

Toutes ces figures ont un point commun : lequel ?

Tangrams - axes de symétrie

Planches I et II - Solutions de construction

Tangrams - axes de symétrie

Planche III

Toutes ces figures ont un point commun : lequel ?

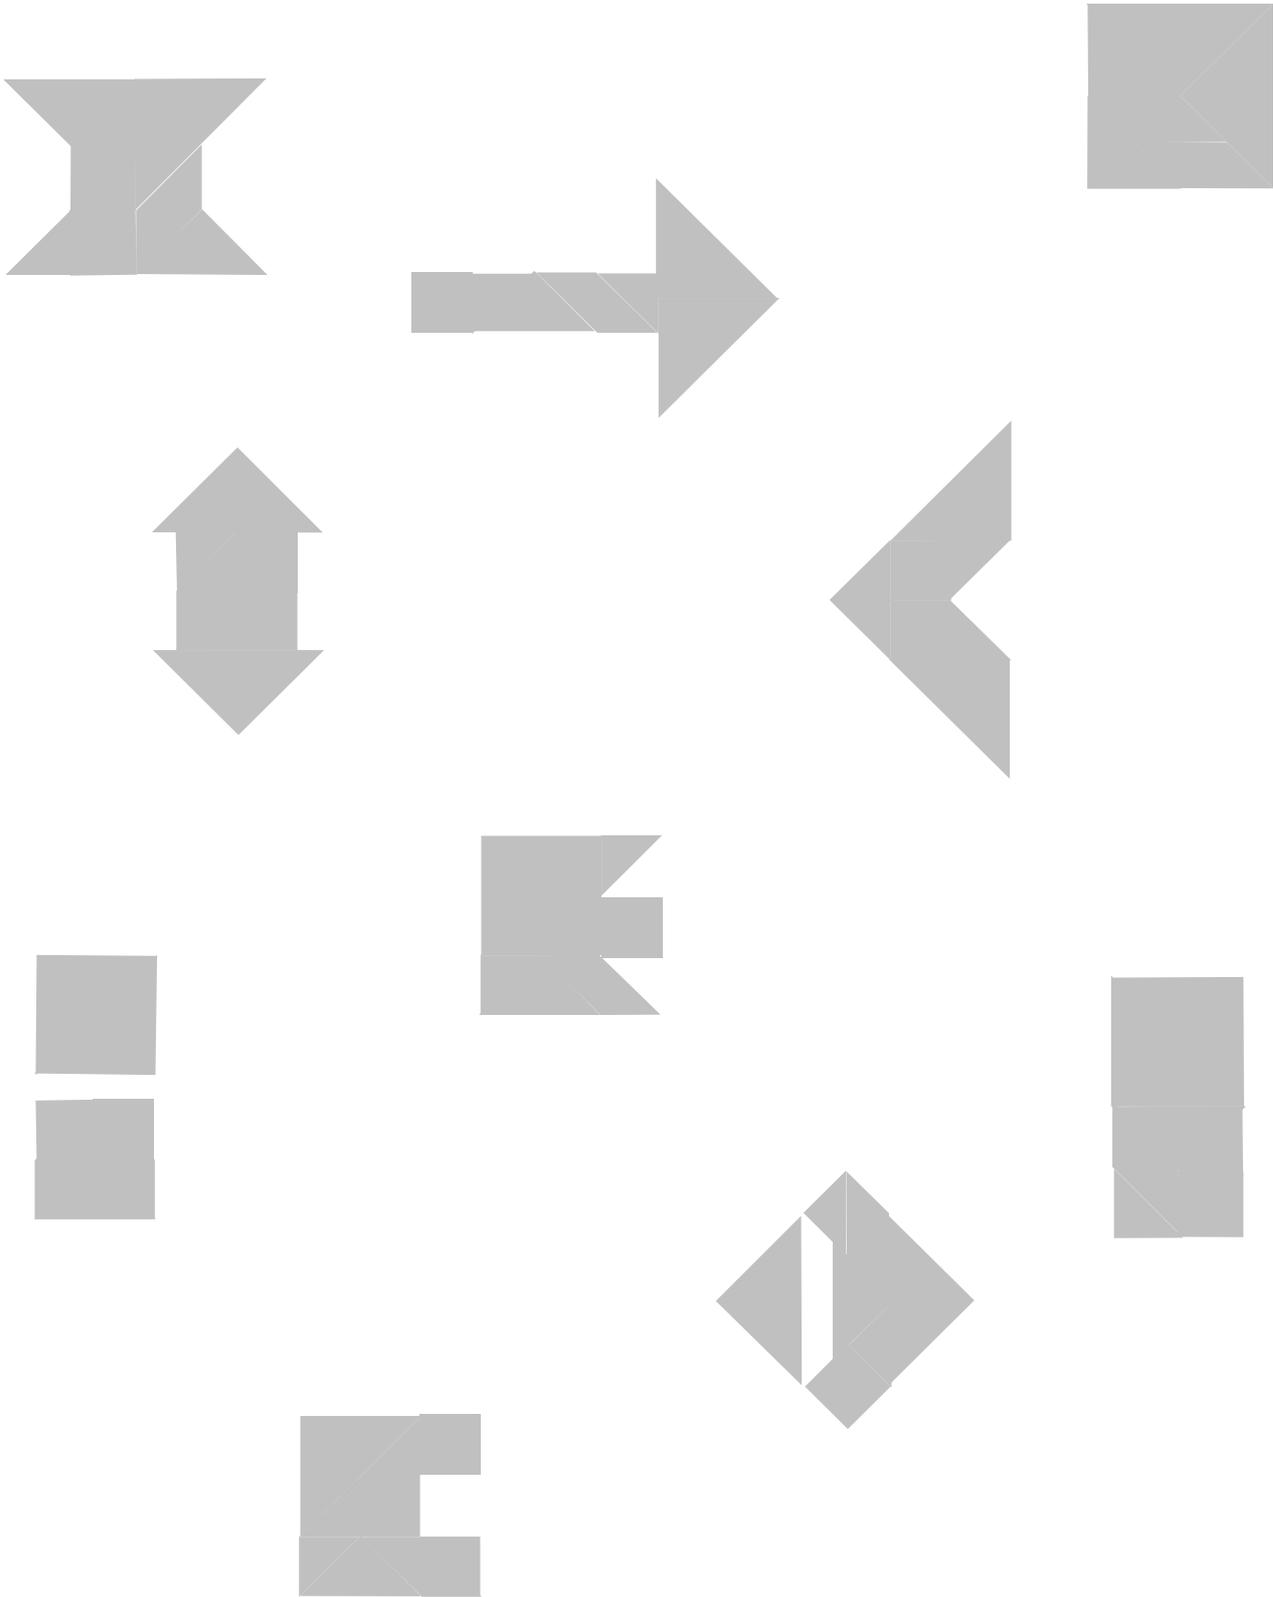

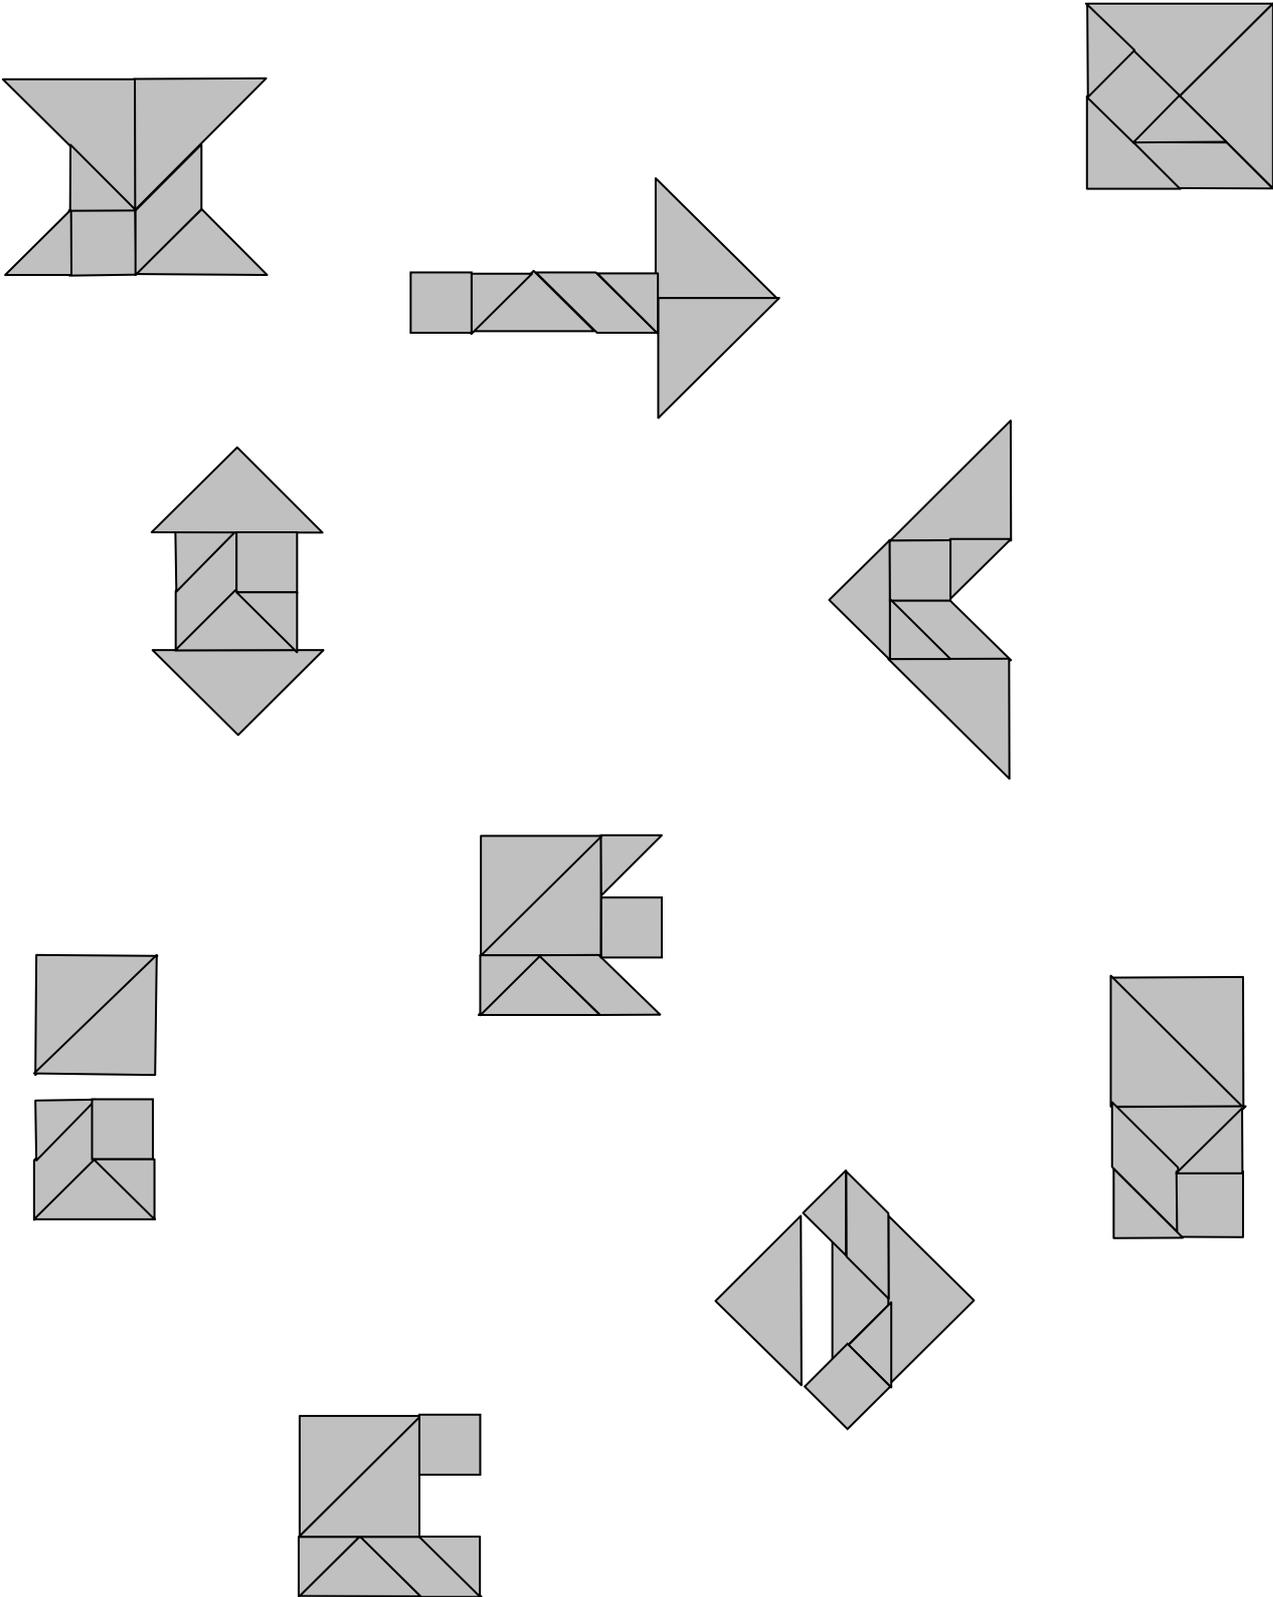

Planche III - Solutions de construction

Tangrams - axes de symétrie

Planche IV

Trace le ou les axes de symétrie de chaque forme, quand il y en a un :

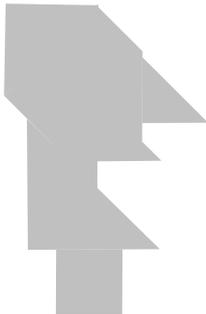

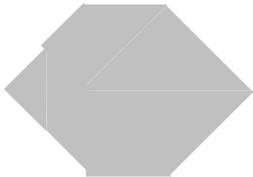

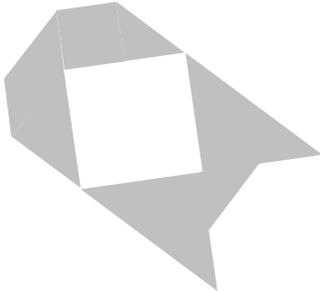

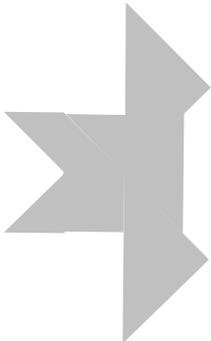

Planche IV - Solutions de construction
